

ON THE WISE WITH MONEY JOURNEY, THERE ARE NO SHORTCUTS.

BUT THERE ARE GUIDEPOSTS.

At Thrivent, we know being wise with money is a lifelong journey of twists and turns. No matter where your journey takes you, we're here to guide you, so you can live a life of contentment, confidence and generosity.

On the Wise With Money Journey, there are four practical questions and guideposts that we regularly repeat along the way. They are:

KNOW GOD'S MONEY STORY

Recognize that all you have is a gift from God and that you are called to be a good steward of those gifts. Then ask, "What does this mean for me?" This will naturally create tension as you consider your choices.

OWN YOUR STORY

Minimize the tension by looking within and asking, "What is my enough?" Only then can you write your own story, informed by your faith, your heart and habits.

PRACTICE WISE FINANCIAL HABITS

Strive to manage God's gifts wisely by putting your values and plans into action, beginning with the question, "Who or what is going to help me?"

GIVE OF YOURSELF

Prepare to share your gifts of time, talents and treasures generously by asking yourself, "Who can I help?"

Watch the video below to better understand how these guideposts help you be wise with money.
